

WORTH PARISH COUNCIL

NEWSLETTER – Spring 2021

CHAIRMAN'S REPORT

Many of you now will have received a first dose of vaccine, and it seems that there is now light at the end of the Covid tunnel. If you have any doubts about any of the variants of vaccine out there, please contact your doctor for further information – I have my first jab, and I strongly advise you to do the same!

Copthorne Carnival is taking place on the Green on 24th July, and we hope to have a date for the

Crawley Down Fayre later on in the year – it is so nice to have our village events back on again. I will certainly be there; I hope you will too.

We have a new Councillor Lauraine Stewart in Copthorne Ward, who was co-opted at our meeting on 1st March. A new face with fresh ideas is always welcome.

Elaine Anscomb, Chairman

WORTH PARISH COUNCIL

The Parish Council continues to meet virtually. You are very welcome to attend any of our meetings; contact the Clerk who will give you joining instructions. All agendas and minutes are on our website worth-pc.gov.uk.

The Annual Council meeting, at which the Chairman and Vice Chairman are elected, takes place on Tuesday, 4th May this year, the Monday

being a Bank Holiday. Please try to join us if you can.

The Parish Council Office itself remains closed to the public for the foreseeable future. Please contact the Clerk to make an appointment should you have to meet in person with a member of staff.

PARISH COUNCILLOR VACANCY

A vacancy for a parish councillor has arisen in the Crawley Down Ward. If you are interested in having a say in your local community, please

contact the Clerk, or any of our current councillors, for more information – details as below.

PARKING IN BOWERS PLACE

The Parish Council is in discussion with West Sussex Highways with a view to improving parking in Bowers Place. We are aware that sometimes it is difficult to access the doctor's surgery due to street parking and are

investigating whether more spaces can be put in. We are at the early stages, finding out what is and what is not feasible, but once we have some ideas, we will be consulting with residents in the area.
