Winter 2022 Newsletter Cophorne Village

CHAIRMAN'S REPORT

As the nights close in we start to prepare for a winter that is going to be a difficult one this year with the rising cost of living and especially energy costs. We need to ensure that our residents do not suffer because of this and to that end we are looking into setting up 'warm hubs' in both villages where people can go to meet and keep warm whenever needed. We will disseminate details of these as we make arrangements, but I trust we will all endeavour to look after each other throughout the cold months.

The Community Governance Review (CGR) by Mid Sussex District Council has now concluded with the resolution not to split our Council at this stage. I for one am glad this is resolved, and we can move on with our normal business of supporting both our villages as we always have done. I feel the CGR has caused some angst between us and I am keen to assure everyone that despite some comments to the Council and especially on social media, in my experience over the last 7 years I have served on Worth Parish Council, I have seen zero evidence to indicate that either village is given preferential treatment, or either village loses out in any way whatsoever. I personally am a Cophorne Councillor, but I serve on Worth Parish to do my best for BOTH villages. I am happy to discuss the views of any resident that does not feel this is the case, and all the while I am Chairman, I will ensure this categorically is the case. I look forward to continuing to work in the best interests of Crawley Down as well as Cophorne.

All of us at Worth Parish Council are very disappointed that we have not progressed with getting the Youth Community Worker in place in September as we had hoped. Despite all our efforts this has not been possible due to a lack of candidates willing to take the role through Sussex Clubs for Young People, but please be assured that we are still progressing this issue as quickly as we can. We hope to have an interim arrangement up and running soon where at least we are offering a weekly Youth Club in both villages until we get a more permanent solution.

Plans for lighting up both our villages for Christmas are progressing well and I am excited to see the results of these efforts. Christmas will be here before we know it!

I wish you all a very pleasant Autumn and look forward to being able to bring you more news in the next edition where I am hopeful we would have progressed with some other initiatives currently being worked on.

Tony Dorey, Chairman

NEWS FROM WORTH PARISH COUNCIL

Worth Parish Council's Community Emergency Plan has now been finalised. This plan provides support, advice and guidance to the local community (villages of Cophorne and Crawley Down) both in advance of and during any significant and/or local emergency.

Although not required by law, Parish Councils can play a vital role during and after a local incident. This Community Emergency Plan is designed to complement those of emergency responders (emergency services and Mid Sussex District Council).

By planning in advance, Worth Parish Council can help coordinate local response activities. By being prepared and being able to respond to an emergency can often help people recover more quickly and make communities more resilient.

You can view the [Community Emergency Plan here](#).

WARM HUBS

Warm Hubs are a warm community space for residents to come along to during the cost-of-living crisis. They would be free, friendly and comfortable spaces for all residents to come along to if they need a space to keep warm.

Worth Parish Council are considering setting up Warm Hubs in both Crawley Down and Copthorne.

In Copthorne, we are considering setting up a Warm Hub at Copthorne Social Club.

Please let us know if this would be something you would use, or if you know of anyone else in the local area, such as a neighbour, who would use a Warm Hub by calling us on 01342 713407 or by emailing enquiries@worth-pc.gov.uk And let us know if you would use a Warm Hub during the day or evening or both.

COST OF LIVING - HELP, ADVICE AND PRACTICAL SUPPORT FOR ANYONE WHO NEEDS IT

West Sussex County Council and its partners are here to help, offering practical support and advice to anyone who needs it during the cost of living crisis.

You can drop into any one of the 36 libraries for free:

- information and advice
- internet access and help to get you online
- events and activities
- access to direct support from a range of partners, for example health and wellbeing, or financial advice.

Or you can contact West Sussex County Council's Community Hub. It is open seven days a week and offers information and advice about support available. You can call the Community Hub on 033 022 27980.
