

WORTH PARISH COUNCIL

GRANTS POLICY

STATEMENT

Worth Parish Council recognises the importance of the valuable contributions by organisations, whether voluntary or not, to the enhancement, improvement and wellbeing of the local community. To achieve this the Parish Council will provide monies within the Council's Annual Budget for the purposes of grant funding.

KEY PRINCIPLES

Worth Parish Council's Grants Policy is based on the following principles:

- Grants are payments made by the Parish Council to an organisation for a specific purpose to enhance and promote the wellbeing of the local community
- That the work which the grant supports must fall wholly or mainly within the Parish of Worth
- That applications cannot be considered that benefit individuals, single household, or "for profit" organisations
- That grants are awarded to organisations which operate a non-restrictive policy that does not unfairly exclude individuals. This non-restrictive policy should enable potential access to the activities, facilities or services offered by the organisation (subject to facility constraints, appropriate ability criteria and where membership fees or other charges made, these are not at a level where those with financial constraints are excluded)
- That each application is dealt with on its own merit
- To ensure that each application is dealt with equally, applications must be submitted on the approved Worth Parish Council Grant Application Form, following the Guidance Notes.
- That successful applicants shall report to the Council how the monies have been spent within six months of the grant being awarded, providing evidence to support this. Monies awarded for particular projects are not transferable without prior consent from the Council. Should the Council decide that the grant has not been spent for the purpose defined the application form, the organisation will be required to re-pay the monies.

TO WHOM DOES THIS POLICY APPLY?

This Policy applies to any organisation which falls within the eligibility criteria, whether voluntary or not, which is based in or benefits the residents of Worth Parish; that is, residents of the villages of Coptthorne and Crawley Down
