Community-Environment-Youth-Security-Village Centres

## Spring 2023 Newsletter Crawley Down Village

### CHAIRMAN'S REPORT

We have local elections fast approaching in May and I would like to remind all residents that we would encourage anyone interested in becoming a Councillor to contact Worth Parish Council for details.

Our drive to improve provisions for our youth continues. Our Youth Community Worker is now in place full time working across both our villages. The Copthorne Youth Club has now had its first club meetings, and talks are advancing to set up the same in Crawley Down. We also offered our first cooking classes in both villages in February and feedback to date has been completely positive. Hopefully this will be an initiative that can continue and grow.

We have managed to claim £65,000 of developer contributions (s106 monies) from Mid Sussex District Council to assist in the financing of CCTV cameras, two in each village. These will be monitored by Sussex Police, and we hope will go some way to deterring petty crime and anti-social behaviour. We don't have an installation date at the time of writing this, but the order has been placed. We will be saving up to purchase more cameras in the future to extend our coverage.

There has been a lot of discussion on social media recently regarding the state of our villages and specifically around verge cutting and rubbish. I can assure you that this is something we are looking at very closely. Come the spring you will see improvements in the grass cutting and general look of our areas, and this is only the start of things to come. It will take time to tackle, but we are on the case.

The issues of rubbish collection outside our immediate control are more complex – especially when we talk about motorway entrances and exits due to Highways restrictions, but we will be looking intently at whatever can be done. As I have reminded on several occasions, please remember that ALL your Councillors are both volunteers and local residents themselves, so we all want the same things. It is just fact that these are not always easy to achieve!

*Tony Dorey, Chairman*

### CRAWLEY DOWN ENVIRONMENT & INFRASTRUCTURE WORKING PARTY

The Youth Community Worker the Parish engaged earlier this year is hard at work in Copthorne providing support and new opportunities for our young people. Discussions have been held with All Saints Church and The Haven Centre to see what might be achieved in Crawley Down.

We are excited to progress the project of installing an electricity supply on both village greens which will help support the organisation of the numerous community events that run in both villages.

The latest Crawley Down Litter Pick was scheduled for 25 March, by the time you read this newsletter we hope that you will have noticed the effects or indeed have joined the volunteers.

The Haven Centre will be holding a Food Festival and Funfair on Sunday 7 May to celebrate the Coronation of King Charles III. As it did for the Jubilee event last year, the Council is helping to promote and organise this. Put this date in your diary as it should be great fun and a chance to come together as a village to look forward to the new Carolean Era and enjoy some lovely foody treats. Watch out for more details!

You may have seen the plans that your Council has to improve parking in Bowers Place. Please read on for further information and details on how you can support this project.

Worth Parish Council is keeping a close watch on the progress of the District Plan and lobbying the District Council, the County Council and local MPs to ensure that effective planning is undertaken to ensure that the necessary infrastructure (roads, water, electricity, schools, medical facilities etc) is delivered in advance of its need rather than never or, at best, years later as has been the case over recent history. The demand for housing in our attractive villages is always high but recently, we have paid too high a price in terms of the impact on our quality of life.

## NEWS FROM WORTH PARISH COUNCIL

In the February half term we ran two very successful quesadilla cookery classes for 9-14 year olds. This class was run by a professional chef and all those that came along prepared, cooked and ate their own quesadilla. We hope to run more classes like these for the young people in our Parish. If you have any ideas on what would you like to be offered please email the office at [enquiries@worth-pc.gov.uk](mailto:enquiries@worth-pc.gov.uk)

*My daughter and her friend absolutely loved it. It was so nice to have something different for children of her age (13) to do over the holidays. A fantastic idea and I really hope that you do more things like this again in the future. Thanks ever so much to everyone involved with organising and who were there on the day.*

## VOTER ID

The UK Government has introduced a requirement for voters to show photo ID when voting at a polling station at some elections. This new requirement will apply for the first time in England at the local elections on Thursday 4 May 2023. You may already have a form of photo ID that is acceptable. You can use any of the following:

- Passport
- Driving licence (including provisional license)
- Blue badge
- Certain concessionary travel cards
- Identity card with PASS mark (Proof of Age Standards Scheme)
- Biometric Immigration document
- Defence identity card
- Certain national identity cards

[Click here for more information on which forms of photo ID will be accepted](#) or call their helpline on 0800 328 0280.

### **If you don't have an accepted form photo ID**

If you don't already have an accepted form of photo ID, or you're not sure whether your photo ID still looks like you, you can apply for a free voter ID document, known as a [Voter Authority Certificate here](#).

Alternatively, you can complete a paper application form and send this to the electoral services team at Mid Sussex District Council. If you need any help with applying for a Voter Authority Certificate or want to request an application form, contact Mid Sussex District Council on 01444 477003 or email [elections@midsex.gov.uk](mailto:elections@midsex.gov.uk)

## BOWERS PLACE PARKING SOLUTION

As part of our vision to 'ensure a true village feel and that Crawley Down is a safe, attractive and enjoyable place' we are excited to deliver the Bowers Place Parking Solution. We have planning permission to create 19 additional parking spaces along Bowers Place.

But this is much more than just about creating parking spaces!

This solution will:

- GIVE** better and safer access to the Health Centre
- PROVIDE** a safer route to school
- ENABLE** better access routes for pushchairs and mobility aids
- MAKE WAY** for the rejuvenation of the village green

[Please complete the following form to provide your support](#) for the Bowers Place Parking Solution. This will help us apply for a Public Works Loan to carry out this project.

You can also [find out more about this project here](#).

This plan has been prepared as the basis of a planning application  
It is not a construction drawing for the purposes of Section 278 of the Highway Act 1980 at this stage

-  Application site boundary
-  Land adjoining application site boundary owned by Worth Parish Council
-  Public highway boundary
-  Utility protection zone
-  Utility protection bollard
-  Verge crossing point formed using 900 x 600mm BSS pressed concrete slab to BS EN 1339 on MOT Type-1 base

Ordnance Survey, (c) Crown Copyright 2021  
All rights reserved  
Licence number 100022432

LOCATION PLAN - 1:1250
