## End of Summer 2022 Newsletter Cophorne Village

### CHAIRMAN'S REPORT

Although the weather cannot make its mind up, I always know when summer is here as the Cophorne Carnival takes centre stage. This year's event was as fantastic as ever – enjoyed the day and night fully. The theme this year was 'Heroes & Villains' and we certainly had both. The heroes were the organisers who – as always – laid on a fantastic day for all ages and ensured the area was completely clear the following morning. Hats off to all those involved – you are a credit to the village. The villains were those who left their rubbish behind on the Green after – PLEASE take your rubbish with you next year to ensure we can continue to put on this great event, and the small minority who decided to smash glass bottles around the area and cause even more clearing up for the organisers and volunteers.

The Worth Parish Council stall attracted a few residents to come and talk. Not as many as we would like, but more than some years. It was nice to meet a couple of new residents who were very happy to have moved to the village.

I was also very happy to attend Crawley Down Village CofE Primary School to present certificates to the children for their magnificent artworks produced for the Queen's Platinum Jubilee. It was a pleasure to do this, and I was impressed with all the very well-behaved children and the organisation by the school – thank you.

Things are moving forward in some Council activities, and we are looking to have a Youth Community Worker starting in September to work closely with the Youth Clubs and children of all ages in both our villages. We are excited about this move and have great expectations.

The second consultation is also underway for the Community Governance Review for all residents to comment on the draft recommendations from Mid Sussex District Council (MSDC). We do encourage residents to have their say again on this matter following a response to the first consultation that was highly praised by MSDC.

By the time the next newsletter is published, we hope to have more news on further initiatives such as the Vision Document for Worth Parish Council which sets out our plan for the coming years in both villages – watch this space!

*Tony Dorey, Chairman*

### NEWS FROM WORTH PARISH COUNCIL

Worth Parish Council are pleased to announce that two new Youth Clubs will be coming to Cophorne and Crawley Down.

They will be starting this September for 10 to 16 year olds.

## WORTH PARISH COUNCIL COMMUNITY EMERGENCY PLAN

Can you help your community in an emergency?

Worth Parish Council are preparing a Community Emergency Plan, so that as a community we can help ourselves if something was to happen in our parish – Copthorne and Crawley Down.

A localised emergency could include heavy snowfall, a storm, a sustained power failure, a water shortage or transport accident. Being prepared and being able to respond to an emergency effectively can often help people recover more quickly and make communities more resilient.

Worth Parish Council are calling on local businesses, voluntary groups and individuals to create a Local Skills and Resource Register. If you can provide assistance during an emergency, [please complete this form](#).

Thank you in advance for any valuable assistance you may be able to offer.

## COPTHORNE VILLAGE COMMUNITY SPEEDWATCH

Copthorne Village Community Speedwatch group are desperately looking for volunteers.

Community Speedwatch is a national initiative where proactive members of local communities join with the support and supervision of their local police to record details of speeding vehicles using approved detection devices. If you would like to volunteer [please register here](#) (you may need to select Sussex, Mid Sussex, Crawley – Copthorne Village).

## SAFE SPACE SUSSEX APP

Have you heard of the new app Safe Space Sussex?

Launched by Sussex Police & Crime Commissioner Katy Bourne, it aims to help people should they feel unsafe outside of their home.

The app directs users to their closest Safe Space; gives them the opportunity to send their location to a named emergency contact and provides links with advice, guidance and support. If they're in an emergency, the app will direct them to 999.

You can download the app from the Apple app and Google Play Stores now.

If you are a local business and wish to become a Safe Space, you can [register here](#).

## NEIGHBOURHOOD WATCH

Would you be interested in either helping to establish or join a new Neighbourhood Watch Scheme in your area?

The community spirit that we see in your area is very strong and we feel that this could further be strengthened with the setting up of a Neighbourhood Watch Scheme.

The benefits of such a scheme:

- Crime prevention advice.

- Greater awareness of current issues in your area.
- Support from area co-ordinators and a well-established and pro-active board.
- You would be supporting the Police in keeping your area a safe place to live and work.

There are two ways in which a scheme can be established:

1. The most common way is to have a set up meeting with all interested parties in a road/area. After this meeting a Neighbourhood Watch sign could then be ordered (there is a small fee involved). This then makes the scheme visible, and members have the option to display a sticker in their windows.
2. An alternative way is what's called a 'covert' scheme. This is an option where there is a positive response from a road/area but potential members are not keen to have the scheme or their membership known and no signage is displayed in the road/area.

You can find out more about [Neighbourhood Watch here](#).

## NEIGHBOURHOOD POLICING TEAM COMMUNITY QUESTIONNAIRE

Your local PCSOs Roxie and Sophie are asking residents to spare a few moments to complete a neighbourhood policing team community questionnaire. This will allow your local PCSOs to deal with the issues important to you.

[You can access the questionnaire here.](#)

You can contact your local PCSOs at [roxie.rye@sussex.police.uk](mailto:roxie.rye@sussex.police.uk) and/or [sophie.norman@sussex.police.uk](mailto:sophie.norman@sussex.police.uk)
