

WORTH PARISH COUNCIL

Job title	Youth Worker
Location	Various locations
Salary	Under 21: £10 per hour, 21 and over: £11.44 per hour
Responsible to	The Youth Supervisor

Summary

Working with the Youth Supervisor to support the Council's youth provision within the parish, by working directly with children and young people, helping them to build life skills and confidence, develop healthy relationships and make decisions that are right for them.

Key Activities

- learning about the area in which projects take place, and the needs of young residents
- assisting in the setting up and running projects and programmes of activities for young people
- providing opportunities for young people to talk openly and confidentially
- assisting in developing and implementing ways to involve young people in projects – for example, by providing feedback or being involved in decision
- directing young people to sources of advice
- identifying concerns about young people involved in programmes, reporting these to the Youth Supervisor if necessary
- assisting with the recruitment of volunteers
- working with other organisations, such as other councils, schools, community groups and the police.

The post holder may need to work outside traditional 'office' hours – for example, if youth groups meeting in the evening or if projects run at weekends.

General

- To carry out other duties within the capacity and capability of the post holder which may be from time to time required
- The Council reserves the right to vary the contents of this job description, after consultation, to reflect changes to the job role without changing the general character of the post or level of responsibility.

Training/Qualifications

- To undertake training relevant to the role as required.
